TESTIMONIAL

I love the product! With chronic bursitis in my hip, this is the only product that enables me to sleep well. I had spinal surgery last year and for over three years, I could only sleep on one side, which is a problem! I am so grateful! It is good to get sleep! I hesitated to buy it, but after trying a free sample the spa gave me, I am hooked! Thanks.
~Charlotte, West VA

The National Athletic Trainers' Association (NATA) is the professional membership association for certified athletic trainers and others who support the athletic training profession.

A DOCTOR HOY'S team attended the annual meeting this June in Philadelphia. This is where we met with athletic trainers from high schools, colleges, pro sports and the government. This was a great opportunity to

show we are committed to helping people find pain relief in a safe and natural way.

Head Trainers and Interns from multiple teams told us DOCTOR HOY'S is their analgesic of choice, fantastic! We continue to push our product into the spotlight and hear amazing stories everyday of how DOCTOR HOY'S makes a difference. **Many professional athletes currently use DOCTOR HOY'S including the Super Bowl Champions, New Orleans Saints!**

Canyonlands Half Marathon Moab, UT
